

What anchors you?

Would you like to exhibit your creation
inspired by the anchors in your life?

The CNWL Arts in Health team is excited to invite you to submit your creative responses to the theme 'Anchors'.

This is an open submission for wall-based art or photographs.

Smaller artworks are welcome but if you wish to submit a larger piece of work please contact us first.

We welcome submissions across our communities but particularly hope to encourage Artists who may have links to our CNWL mental health services including service users, carers and staff.

Selected works submitted will be exhibited in-person (venue TBD) or online via: <https://www.cnwl.nhs.uk/arts-and-wellbeing-space> and then hung in CNWL mental health sites to enhance patient and staff areas.

The deadline for submissions is 4th March 2026.
