

# Vaccination Conversation Training

North West London NHS and Bi-Borough Public Health invite you to take part in one of our FREE, In- Person Vaccination Conversation training sessions.

## Aims:

- Boost confidence in vaccine conversations using evidence-based techniques
- Strengthen skills for responding to vaccine hesitancy
- Stay up to date on current vaccination delivery
- Learn and share experiences with professionals and volunteers across roles

## Who?

- This training is for all professionals and volunteers working in Westminster/ Kensington & Chelsea who have conversations about vaccinations with residents.
- Training will be delivered by the Hammersmith and Fulham Public Health team.

*To book a place, please book on Eventbrite:*

**5 CPD points for revalidation are available with this training**
